Questions About Coronavirus?
Call the Rady Children’s Hospital — San Diego
Pediatric Nurse Coronavirus Advice Line:
858-966-8399
8 AM – 5 PM, Monday-Friday

Tips:
- Washing your hands properly can reduce your chances of catching an illness by as much as 21%
- Staying home not only keeps you & your family healthy, but everyone you might come into contact with!
- When you have to go out, try to stay 6-8 feet away from anyone else around you
